The Principal Observes Heritage Celebration and Traffic

There are two items I need to communicate to the school family.

1. Are you attending the Heritage Celebration? This is an event for the whole school family and guests that features student performances. Each year is different, but the spirit among attendees is joyful and encouraging. Of course, the lovely dessert and coffee contribute to the fellowship. The event is the

computers, and electronic locks for Building D. A gift is not required, but everyone is encouraged to contribute to the school.

2. Some people are traveling too fast through the parking lot. The safety of our students is always a high priority for us at Grace Academy and this extends to the parking lot. Please drive cautiously and slowly when on campus, keeping alert for potential problems. We do not have a posted speed limit, but 10 mph if there are no people around and 5 mph when people are nearby is good counsel. Nobody has been hurt and we want to keep it that way.

Volunteer of the Month

It is our privilege to enjoy the benefit of countless volunteer service hours from those who desire to positively impact our students. People volunteer to grade papers, drive buses, help teachers, tutor students, and in dozens of other little and big ways, but it is always focused on the children.

Eaglebots Survey for Grace Academy Family and Friends!

Grace Academy's robotic program exposes students to science, mathematics, and technology in a fun way while teaching them valuable life skills. Please support and encourage our students by participating in their research and take a survey. [Read more...](#)

Yearbook Advertising

The yearbook class is selling ad space to parents that will include whatever photograph you would like and a brief message to your child. [Read more...](#)
