The banner features the Grace Academy logo on the left, the tagline "Educating for Life, Impacting for Eternity" in the center, and a circular orange badge on the right that says "Celebrating 40 YEARS".

The Excitement of the First Day of School!

The Principal Observes

Welcome to the 2018-2019 school year. The administration, teachers, and staff have been planning for the opening of school all summer and are thrilled to have the students back on campus. I love seeing all the students in the classrooms, on the playground, and enjoying each other. If you are new, welcome to the school. Everyone was new at one time and remember what you are experiencing now, so be sure to network with other families. Often this is the most organic way to discover the school routines and patterns.

Of course, the school provides official information through many channels. This publication, *The Eagle Flyer*, contains what you need to know about the school program overall, so you need to read it when it is issued. Items regarding specific classes come from the teachers in newsletters and emails. I urge everyone to look for *The Eagle Flyer* every other week and to make it required reading. There is always a note from me where I give observations about the school, parenting, student learning, and other issues pertinent to parents. In addition, there is a calendar section that is color-coded so that you can read just the information that applies to your family. There are other news items in *The Eagle Flyer* that you will not want to miss. These articles give further details on the calendar items, explain policies, and give general information.

There are some pages on the school [webpage](#) that provide guidance and details for parents. We regularly update the [blog](#) during the school year. My *Eagle Flyer* articles are posted as blog entries, but teachers write for the the blog as well. I invite you to read what they have written in the past and check back for new posts throughout the year. Another important area of the webpage, especially for secondary parents, is the [athletics](#) section. This includes calendars, sports schedules and other information you may need if your child plays a sport at Grace Academy. Of course, there is much more information on the webpage, but these pages are regularly updated.

Finally, I encourage you to use the [ParentsWeb](#) website or app (our district is GA-WA) to access your child's grades, order lunches, and update your personal information. Your child's data is all contained in RenWeb so you should be familiar how to use this powerful resource. If you are having trouble getting connected to RenWeb, contact Mrs. Williams in the office for help.

If you have questions about anything, do not hesitate to call the office for an answer. If they do not have the answer, they will direct you to the person who does. I am praying for a wonderful year for each of our students.

Calendar

Uniform Information

Click [here](#) to find out how to be included on our automatic email notification list regarding uniform sales.
