Educating for Life, Impacting for Eternity

Welcome to Junior High Jennings Park Excursion

Parneet and Raylynn are ending the first week of Junior High on a high note!

The Principal Observes

Schedule Changes

able to anticipate contingencies that may arise over the next 15 months. It goes through a few revisions as several people look it over and discuss it. After it is set and published, we rarely make changes. Nevertheless, sometimes we need to make them and this year there are two.

We need to add a half day schedule for our **high school only** on Thursday, September 26. The PUD requires this time to cut power to the gym and connect the new building to it. The junior high is already on its retreat that day, so this change will not affect them. This change will impact those in grades K-6 as well because they will need to eat their lunches in their classrooms with food they bring from home. (There will be no lunch cooked by the Grace Academy kitchen on September 26.) When the PUD is done, both the old building and new will be connected to the power grid.

We are also changing the dates of Spring Break. It was originally scheduled for March 30 through April 3. It so happens that local area school districts are evenly split on the dates of Spring Break, some with the same dates as ours, and others with it planned for April 6-10. By changing it to the later week, we will align with Marysville, Lakewood, Stanwood, and Everett. Since we have more students from Marysville SD than any other, it makes sense to have the same Spring Break dates. Because the Marysville SD calendar is not usually available until after we have set ours, we were unaware of their break dates. I apologize in advance for the inconvenience this change will cause some families.

Gym Closure, Cafe Closed and HS Early Dismissal

High school students will have 11:45 dismissal on Thursday, September 26, so the PUD can cut power to the gym and connect the new building to it. Junior high is on their retreat that day so this change will not affect them. When the PUD is done, both the old building and new will be connected to the power grid. The gym will be closed to everyone from noon forward on that day and Grace Cafe will be closed.
