Virtual College/Career Planning Night

Help! How do I plan for college or my future career? We have set aside a special night, October 13 at 7 p.m., for our senior high students and their parents to give information on how to plan for life after high school. The evening will take place via Zoom and primarily applies to high school students, but all are welcome. We will share information on colleges, scholarships, financial aid, career paths, etc. Be watching for an email that will contain a Zoom link for this event.

Teacher Professional Development

Remember there is no school Thursday and Friday, October 15 & 16, while our teachers receive professional training. This is a powerful time for our teachers to be recharged and equipped to give your students the best education at Grace Academy!
