

Grace Academy Class of 2022

I am excited to announce that we are almost ready to roll out a new Grace Academy app for our school families. This new app is fully integrated with FACTS SIS so that your family and student data will be available at your fingertips. The goal for this app is to make it easier to get your family's information and to facilitate better communication with the school. Most people are very connected with their phones and use them throughout the day to give and receive knowledge, advice, information, data, guidance, etc. The new app

When you open the app you will see a number of icons that relate to parents, such as Gradebook, Attendance, Classes, Medical, and several more. The one that might be used often is the Lunch icon that will allow people to order lunches and other things that the kitchen offers. FACTS Payments is another icon that people will be able to use to pay their school bill. Some parents are habitual grade-checkers, so the app will make this easier too.

The Grace Academy app is not currently in the Android App Store or the iPhone App Store, but they will be soon. When it is available, we will send out an email and then you will be free to download it and check it out. We want parents to try it now so that we can work out any bugs and have it fully functional for the fall. Be sure to give us feedback on features that can be improved by clicking on *Report an Issue* so we can investigate whether we are able to make the changes.

I hope the new app makes your connection to the school stronger and helps meet the needs of your family.

8th Grade Celebration

One of the most enjoyable evenings of a child's life at Grace Academy is the celebration of the culmination of junior high, held this year on Saturday, June 4. Our 8th Grade Celebration is just that: we take an evening to pause and recognize what God has done in the lives of our soon-to-be high school students.

Each 8th grade student and their families are invited to attend the event. Doors open for the event at 6 p.m. and the program will begin at 6:30.

All details have been sent to 8th grade families. Questions can be addressed to Miss Callaghan ecallaghan@graceacademy.net.

Grace Academy Soccer Camp

This year's camp is scheduled for August 15-18 from 9-11 a.m. for ages 6-12. The cost of the camp is \$75 for the first camper, with discounts for each additional camper from the same family. A \$25 non-refundable deposit is due with the registration form by August 5. The balance is due the first day of camp. Walk-up campers will be accepted on a space-available basis. Registration forms are available in the office.

Elementary Field Days

Our elementary Field Days will be held over two days. Parents are welcome to come and cheer their students on. Look for more details in your student's classroom newsletter.

The schedule will be as follows:

Monday, June 6 @ 12:10 pm – Grades 4-6

Tuesday, June 7 @ 12:10 pm – Grades 1-3

Ice-cream sundaes will be served at the conclusion of the event each day. A fun way to end the day!

Finals Schedules

Our Secondary Finals (grades 7-11) are scheduled over three half days, June 1, 6, & 8. This gives the students opportunity to get ready each afternoon for the next day's finals as well as afford them some rest in preparation for their exams.

The café will be closed June 3 and 8 due to 11:40 dismissal.

Grace Café will be closed an additional two days: June 2 & 7 for event prep. **Students must**

We have enjoyed serving your students this year!

Medications in the Office

If you have medications in the office for your children to take at school, you will need to take them home on or before the last day of school. We cannot hold the medications for the summer, and will be forced to dispose of them if they are left when school is out. Please pick up your Tylenol, cough drops, and prescriptions, including epi-pens, by June 8.

Tuition Payments

As the 2021-2022 school year comes to a close, please be sure to make your final tuition payments as soon as possible so there will be no delay in receiving your report cards. Also, if you are pre-paying for the 2022-2023 school year, remember those payments must be received by July 1st in order to receive the 3% discount. If you have any questions regarding your account, please contact our accountant, Mark Ruhlman, at (360) 659-8517, extension 208. Thank you!

Summer Office Hours

The school office will be open during the summer months, Monday-Friday, 9 a.m. to 3 p.m. except when we close the office on the last Friday in June and every Friday in July. The office will also be closed Monday, July 4 in observance of Independence Day. There may be occasional brief office closures at various times during the day so please call before planning a visit.

SCRIP Summer Office Hours

You can still pick up SCRIP during the summer! Stop by Terri's office in the church on Mondays between 10-11:30 a.m. SCRIP is also available online all summer. Call Terri if you have any questions, 360.659.8517, extension 207.
